

14 Mcleod Street THOMASTOWN VIC

3 1 3

If location stands at the centre of your search for the perfect home or investment, then clear your list and begin making plans to call this superbly located three-bedroom home your own!

The bright and beautiful single-level home is also poised to lure you with its stylish character, excellent presentation and immediate liveability.

All three bedrooms and a central family bathroom are zoned away from the active hub of the home for added privacy and comfort, while the home's generous sense of space extends to the East-facing backyard, where a large undercover area links with the versatile carport to present a huge outdoor entertaining area ideal for large-scale gatherings any time of year.

Land Size : 704 sqm
