

Lot 324 Amtor Street WOLLERT VIC

At the gateway of the Mystique community is our neighbourhood park of approximately 1.1 hectares. Framed by an ancient and wise stand of river red gums, this naturally enhanced parkland space will enliven young hearts and minds, encouraging the children of our community to run, climb, jump, swing and play their way to a healthy future.

At around 2.92 hectares, The Mystique Wetlands is the second largest open space found within the community. This wonderful and sustainable natural asset will provide residents with a beautifully serene space for relaxation and adventure.
